THE CIRCLE OF FOXES

SOUTH: THE MYTH OF LIFE I am the sort of person who is

SOUTHWEST: THE PROOF I know I am the sort of person who is because keeps happening to me

WEST: IF ONLY

But if only it was easy like thislife would be so much easier for me

NORTH WEST: RULES AND LAWS
But it can't be easy like my if only in the West
because that is not the world operates .. because
everyone has to have rules and laws to live by

NORTH: BELIEFS

So I have to keep to my rules and laws because I believe the world is really like this

NORTH EAST: DESIGN OF LIFE

So I will keep those important rules because I believe in them strongly and so I will design my life like this so I dont break my rules

EAST: PAYOFF

Because if I keep all the rules, then mommy or daddy, or the state, or god, or the goddess or life will love me and I will be safe and a nice person.

SOUTH EAST: SELF CONCEPTS
But I do find it hard to live like that and I feel like shit inside because (moves to the South place) ... I am the sort of person who is

And off we go around the wheel again like a fox chaising it's own tail
